COMMISSIONERS' REPORT.

To the Citizens of Hillsborough County:

In compliance with the provisions of the Public Statutes of the State of New Hampshire, the County Commissioners submit this, the seventy-second annual report of the County of Hillsborough, for the year ending December 31, 1918, containing the report of the superintendent of the county farm, treasurer and other county officers.

The superintendency of the county institution at Grasmere the past year has been under the efficient management of Mr. James M. George and Mrs. George as matron, and John L. Wentworth as assistant superintendent; and they have worked for the best interests of the institution and its inmates. The products of the farm are the largest ever raised, we think, and the shortage of labor speaks well for the employers.

The hospital has been most efficiently managed by Dr. B. E. Sanborn of Manchester as superintendent and Dr. W. A. Bartlett assistant, with Miss Addie M. Moore as matron and superintendent of nurses. Mrs. Jessie B. Corey, assistant at the hospital, was granted leave of absence to engage in war work, and Mrs. F. M. Spencer was engaged to take her place. We believe the standing of the hospital and its management to be second to none in the state.

George H. Phinney as jailer and Mrs. Phinney as matron have continued their good work at the jail.

Necessary repairs have been made upon the buildings. The County Delegation voted to allow us to build a new cow barn, but the high cost of labor and lumber made it impossible at this time.

The number of prisoners at the farm has been the lowest ever; consequently very little work has been done outside, and we were handicapped very much in our farm work.

The small number of inmates and the high cost of everything we have to buy has made the cost of board much higher than usual, as our regular expenses are just the same whether we have a large or small number.

Taxpayers and others are invited to visit the institution and see for themselves how their money is spent.

We extend our thanks to the selectmen and overseers of the poor and all others who have been of assistance to the commissioners in their work.

Respectfully submitted,

EDSON H. PATCH,

ALBERT T. BARR,

JAMES H. HUNT,

County Commissioners.

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners for the County of Hillsborough:

In making my report for the year 1918, I am pleased to say we have had a less number of patients, also a greatly reduced number of prisoners, which shows that our county is on the right way to betterment. While we have had fewer inmates, our overhead expenses have been the same, and the increased cost of every commodity used has made our rate of board much higher than in former years.

The institution has been free from epidemics, and at the present time a healthy and normal condition exists throughout.

The crops this year have been unusually good. Some varieties are sufficient to supply our demands until time for a new crop.

We have added a milking machine to our barn equipment, which has been of great help during the shortage of labor. The results of this machine are highly satisfactory. Another addition is a dough mixer, which has been added to the bakery department, this being an economic investment both in saving time and material.

To all friends who have sent reading matter, gifts, and treats to cheer the lives of our patients I extend sincere thanks.

To the W. C. T. U.: The highest words of praise are due you for your earnest endeavor to brighten the lives of our patients by your visits, entertainment, gifts of fruits and delicacies, and Christmas cheer. I offer you hearty thanks.

To the physicians and chaplains who have continued with us through another year: In your faithful and pains-taking discharge of your duties, for the most pleasant co-operation in our work, I wish to thank you.

To the Officers of this Institution: I can cheerfully thank you for the manner in which you have performed your duties the past year.

To you, Messrs. Commissioners, I extend my deepest appreciation for your continued kindness and courtesies. The value of my association with you is highly prized by me and will always be an asset in my future work. You are to be highly commended for the kindness and interest you have shown in all the charges left in your trust.

Respectfully submitted,

JAMES M. GEORGE,

Superintendent.

REPORT OF THE COUNTY PHYSICIAN.

To the Honorable Board of Commissioners of Hillsborough County:

GENTLEMEN—As has been the condition with other hospitals, the past year has been a strenuous one with us. The epidemic of Spanish Influenza, as elsewhere, has here exacted its toll. In October we lost one of our nurses, Mrs. Ida Sabine, after an illness of four days, and shortly after, our orderly, Mr. Alec Sudyka, also died.

In the early summer Dr. C. A. Folsom, county physician for the past six years, was obliged to give up the work on account of illness. In July Dr. W. A. Bartlett was appointed assistant physician.

Mrs. Jessie R. Corey, our assistant superintendent of nurses, left in September to enter service in the world war, and during her absence her position is being filled by Mrs. Florence Spencer.

Our most pressing need at this time seems to be a children's ward, where the increasing number of babies and small children can be adequately cared for.

To the physicians who have given lectures during the year and to all those who have assisted us in any other way our heartfelt thanks are due.

CHAPLAINS' REPORTS.

To the Honorable Board of Commissioners of Hillsborough County:

GENTLEMEN—I wish in the first place to most respectfully express my appreciation of your interest and kindness in my services as chaplain.

The year has been very much as in former ones. I have officiated at thirty-one funerals and attended religious services for the inmates twice a month. We have also visited the sick and unfortunate during the year with pleasure, and we hope with helpfulness to all.

We wish to most heartily thank Superintendent George and Mrs. George for their ever ready assistance and kindness in my visitations.

We also thank all the officers for courtesies extended.

Respectfully,

E. C. GOODWIN.

December 31, 1918.

To the Honorable Board of the Hillsborough County Commissioners:

During the year 1918 I have held public services once a month in the chapel of the institution and visited the sick and inmates the day previous. I have had an average of two sick calls a week at the hospital and almshouse.

For the courtesy rendering pleasant my spiritual ministrations at Grasmere I beg to thank Mr. and Mrs. George, Miss Moore and other officers of the institution.

Respectfully yours,

REV. PAUL DESAULNIERS.

January, 1919.

ANNUAL STATEMENT.

It will be observed that the floating debt has been decreased \$10,000, the county now owing but \$30,000 on short term notes; that the sinking fund has increased by nearly \$17,000; and that the actual indebtedness this year is \$120,013.24 as against \$146,713.93 last year. It is hoped that there will be no downward readjustment of taxes until the floating debt is entirely extinguished.

The volume of county business is steadily increasing. In 1913 the total receipts were \$467,153.96 and the disbursements \$455,269.04. This year the receipts were \$566,040.53 and the disbursements \$561,189.06.

The treasurer again, as in previous years, recommends the establishment of a budget system and an improved method of fixing the county tax. Both matters require more consideration than can be permitted at a single meeting of the delegation. There should at least be a standing or advisory committee to give continued attention to these questions.

ALBERT H. WHITE,
County Treasurer.

JAILER'S REPORT.

To the Honorable Board of Commissioners of Hillsborough County:

Due primarily to the prohibition law which went into effect May 1, 1918, the population of the jail has decreased rapidly since that time and has reached the lowest numbers since records are available, some fifty-five years ago.

This condition seems certain to continue, and the county has a problem upon its hands. The jailer and matron desire at this time to extend cordial thanks to your board for your kind and generous coöperation in all matters.

AUDITORS' REPORT.

The undersigned, auditors for said county, report that they have examined the accounts and vouchers of the county commissioners and treasurer, as required by law, and find the accounts correct and well vouched. We are of the opinion that the sums charged therein for articles purchased are according to the market value, and said articles have been used for the benefit of the county.

SOLICITOR'S REPORT.

NASHUA, N. H., February 7, 1919.

To the Honorable Board of Commissioners for the County of Hillsborough:

GENTLEMEN—From January 1, 1918, to July 1, 1918, the Grand Jury returned 94 indictments. These were disposed of as follows: Eighteen sentences to State Prison; three sentences to Jail; four sentences to the House of Correction at Goffstown; eighteen sentences suspended; eleven sentences continued; thirty-two paid fines; six committed to the Industrial School; one bail forfeited; two new cases pending.

There were several serious cases, as shown by the exceedingly large number of eighteen committed to State Prison.

The cases against Joseph L. Boudreau and the men connected with his obtaining money from the City of Manchester were disposed of by sending Boudreau to State Prison, giving each of his associates a fine of five hundred (\$500) dollars with a year's sentence in jail suspended. These cases were not disposed of until the City of Manchester had been reimbursed in full for all the money which had been obtained from it illegally.

IVORY C. EATON,

Solicitor for Hillsborough County.

NASHUA, N. H., January 27, 1919.

To the Honorable Board of Commissioners of the County of Hillsborough:

On July 1, 1918, I actively resumed the duties of Solicitor. At the September term of Superior Court only forty-three indictments were returned against forty in-

dividuals, the smallest number during my term of office. These were disposed of as follows:

One, State Prison; five, jail sentence; twenty-four, suspended for sentence; four, continued for sentence; seven, fined and suspended jail sentence. The case of State against Aristide Roberts for rape was tried and resulted in a disagreement of the jury. Two cases for selling spruce and root beer containing a small percentage of alcohol were tried and both resulted in an acquittal. Lawrence F. Duguie, against whom four indictments were returned for breaking and entering, escaped from jail at Manchester and has only just been located.

JOHN R. SPRING,
Solicitor for Hillsborough County.
